### **DETAILED ACTION**

1. Claims 1-32 are pending in the present application.

#### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on August 27, 2003 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement has been considered by the examiner, note attached copy of form PTO 1449.

#### ***Claim Rejections - 35 USC § 112***

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding independent claim 1, the following limitation is vague: "any" [see: claim 1 lines 13 and 19]. The term "any" is vague. The meets and bounds of the claim are unclear. Also note Independent claim 21 lines 10 and 12 which contain similar limitation. Claims 2-20 and 22-25 are rejected based on dependency.

5. Claims 30-32 are rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential steps, such omission amounting to a gap between the

steps. See MPEP § 2172.01. The omitted steps are: “if the accessed digital information object and overlay does not include at least one common concept” [see independent claim 30]. Note the claim recites *establishing a link* if the overlay includes at least one common concept; *but* fails to recite steps if there is *not* a common concept [see claim 30 lines 10-13]. Claims 31 and 32 are rejected based on dependency.

### ***Allowable Subject Matter***

6. Claims 26-29 are allowed. The prior art of record fails to teach the following limitation “exporting the at least one concept node from the overlay for use in at least one other overlay”.

7. Claims 1-25 and 30-32 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

### ***Conclusion***

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
